Dennis Alexander

The Magic of Christmas

DUETS FOR PIANO

Arranged by Dennis Alexander

Christmas is truly a time of sharing, and expressing the beauty and wonder of the Christmas season through music is an experience which provides many happy memories for years to come. These special duet arrangements are meant to please both young and old, and will provide the "perfect touch" for a Christmas recital or informal gathering. Both parts are musically interesting and rewarding to play. The words for each selection are also included so that friends and family may sing along and share the "Magic of Christmas." Have fun, and Merry Christmas to all of you!
