What Praise Can I Play for Christmas?

11 Easily Prepared Piano Arrangements

Arranged by Carol Tornquist

The praise songs in this collection have become standards in contemporary worship services, and they offer an alternative to traditional carols during the seasons of Advent and Christmas. These songs were chosen not only for their well-crafted melodies, harmonies, and rhythms but also for the powerful messages they convey about the events surrounding the birth of Christ. The arrangements are easy to prepare and well-suited for preludes, offertories, or postludes. It is my hope that these instrumental settings will enhance the Christmas worship experience for players and listeners alike for years to come.
