Following Yonder Star

Songs of the Magi for Piano

LARRY SHACKLEY

About this collection

Following Yonder Star is a scintillating new piano suite by Larry Shackley, based on the story of the Magi and the Star of Bethlehem. Suitable for the Christmas season through Epiphany, the suite begins with a festive prelude on *As With Gladness Men of Old*, and concludes with a joyous postlude on *The First Nowell*. In between are two meditative pieces (*We Three Kings* and *Saw You Never, in the Twilight*) which could function as offertories, or even as background music for a Christmas pageant. Like all *Sunday Suites*, *Following Yonder Star* provides thematically related music for a complete Sunday service.

About this series

Sunday Suites are concise, practical books designed to provide church pianists and organists with quality arrangements for special days on the church calendar. Each *Sunday Suite* offers a prelude, offertory, and postlude (and sometimes one “bonus” piece) to cover the keyboardist’s needs for a complete service.
