

Christmas Christmas Christmas

piano arrangements of
Christmas favorites

by
Hugh S. Livingston, Jr.
Volume Three

FOREWORD

It has been a thrill for all concerned to consider the overwhelming success of the first two volumes of *Christmas, Christmas, Christmas*, and it is a genuine pleasure to present Volume Three. The Christmas season has so many different meanings to so many different people and for this third collection it was determined that various composers and arrangers should be represented. It is our repeated hope, then, that by playing and enjoying the contents of this book, your holiday celebration may be more meaningful and joyful than ever before.
